

14th International Symposium of the Society for Research on the Cerebellum and Ataxias (SRCA)

SAVE THE DATE
May 15-17, 2026

NICOSIA, CYPRUS

Join us in Nicosia, Cyprus, for the 14th Annual Symposium of SRCA, where leading scientists and clinicians will explore cutting-edge discoveries in cerebellar function, circuitry, and disease. The symposium will feature sessions spanning fundamental cerebellar biology to the latest in translational research and therapeutic advances for ataxias. Don't miss this opportunity to connect, collaborate, and contribute to the future of cerebellar science!
